BinckBank moves to a new office near Amsterdam - RAI mid 2010

BinckBank searched for a suitable location to move its business into one building; also because of the acquisition of Alex. Currently BinckBank rents two offices in Amsterdam at different locations. BinckBank N.V. bought office building Eurocenter I in the Drentepark near Station RAI from Stichting Philips Pensioenfond. Eurocenter I offers the right facilities and it is easily reached by car, public transport, and bicycle. The excellent location was the main reason for choosing Eurocenter I.

Both parties are pleased with the outcome. The sale of the building fits within Stichting Philips Pensioenfond's strategy to invest preferably indirect instead of direct in real estate. BinckBank wishes to move into a single building, which matches with the internet broker identity. BinckBank and Alex Vermogensbank will move to the new location mid 2010. The building is about 10,000 square meters with spatial floors. BinckBank will use this space efficiently, which will create sufficient room for future expansion possibilities.

Eurocenter I is part of the bigger Eurocenter complex, which consists of two office buildings of 10,000 and 12,000 square meters as well as an apartment building with 80 apartments.
